I am writing to support the Change of Land Use at Glad Acres Farm at 3501 Beaverton Valley Rd. I am a neighbor and have met the staff at the farm and had a long conversation about their plans. Their goals are in line with other farms on the island and will be a big plus for our neighborhood. The 1912 Sears farm house and the huge old barn are wonderful to look at on walks or when I'm driving into town. San Juan County should do everything possible to support these young farmers.

Thank You,
