Dear Council Members,

I will be unable to attend the public meeting tomorrow. I am fully in support of a cap on vacation rental permits because I believe it is the right thing to do for the community. Remember you are not taking any permit away from anyone that already has it. The cap is only to get unchecked proliferation of VRs under control, it does not remove any business that is currently operating. The loud people opposing the cap will not actually lose anything.

Thank you for your time and the opportunity to comment.
