Hello,

we strongly support the Friends of the San Juans' proposed update clarifying the definition of a B and B to state exactly what a Bread and Breakfast has always meant, namely a homeowner who rents out one or more of the bedrooms in his/her house for the night and prepares and serves the guest a hot breakfast in the morning. We are strongly opposed to the attempts to use the "bed and breakfast" category to claim that what is actually a vacation rental is not one.

We urge the Council to adopt the Friends of the San Juans' proposed definition.
