I am writing in reference to B.7 Request 24-0007 and B.8 Request 24-0008.

My family has owned a property on San Juan Island for 53 years. We have seen a lot of growth on the island. Most of that growth has been with a positive outlook towards the future. We feel that the two proposals put forth by OPALCO continue this positive outlook for the benefit of all residents of our San Juan Islands. We hope the San Juan Planning Commission agrees and approves these two requests.
