

## Noxious Weed Contractor List (Updated: 11/24/2025)

---

- The SJC Noxious Weed Control Program compiled this list to help residents find local contractors for noxious weed work. This is not an exhaustive list, and we cannot guarantee the quality of the work performed.
- If you are a contractor that would like to be included on this list, please contact the SJC Noxious Weed Control Program: 360-376-3499, [noxiousweeds@sanjuancountywa.gov](mailto:noxiousweeds@sanjuancountywa.gov).
- Persons who use restricted use herbicides, or persons who professionally use, sell, or provide advice on the use of herbicides in Washington must have a Washington State Department of Agriculture (WSDA) issued pesticide license for the type of work they do and for the areas of pest control they work in.
