DEVELOPMENT & PLANNING

Our Family has owned this property since 1976 All of our Gardens and out buildings have been here for over 20 years We are concerned as to some of the reach lines are clearly on bedrock. some are placing a boardwalk we have on egg lake (we use this to have access to use our rowboat on egg lake) within the reach lines.

picture 1 - small cabin close to sportsmans lake

picture 2 - bridge over stream

picture 3 - boardwalk for rowboat access
